

KABETE NATIONAL POLYTECHNIC QUALITY POLICY STATEMENT

KNP/MR/QPS/001

Kabete National Polytechnic is committed to be a premier Polytechnic in the provision of Technical and Vocational, Education and Training that is recognized globally for the advancement and recognition of skills and competencies for sustainable development.

In pursuit of this commitment, KNP shall satisfy all applicable requirements, comply with all applicable customer, statutory and regulatory requirements and continually improve on the effectiveness of her Quality Management System based on ISO 9001:2015.

The top management has communicated the quality policy and quality objectives to all functional areas and provided mechanism for their review.

The quality policy has set a framework for establishing, communicating (as per the communication procedures) and ensuring that all employees understand this quality policy, implementing and continually improving the QMS through reviews for continuing suitability and sustainability.

The quality policy is available to all interested parties at. <https://kabetepoly.ac.ke>

APPROVED
